Useful Links

General News Sources (These may come in handy for the news article annotation assignments. Some features offered on the web sites are free, while others are available to subscribers only.)

[The Wall Street Journal](#) (this is a subscription service)

[The New York Times](#) (registration is required but some material seems to be available without it)

[The Economist](#) (some material available without subscription)

[The Washington Post](#)

[Yahoo's Newspaper Links](#)

[Google News](#)

Sources of News on Environmental and Resource Issues (Here are more sources of news articles for the annotations and may be especially useful for Econ 177 students.)

[High Country News](#) (some material available without subscription)

[Earth News](#) (EarthPortal's news)

[Planet Ark](#) (Reuters World Environment News)

General Guides to Economics Resources, News and Data

[Resources for Economists on the Internet](#)

[About.Com's Site on Economics](#)

[American Economic Association on Undergraduate Economics](#)

[Dismal Scientist](#)

U.S. Government Data

[FEDSTATS](#)

[GPO Access](#)

[Economic Report of the President](#)

[Bureau of Labor Statistics](#)

[Census Bureau](#)

International Data

[OECD Statistics](#)

[CIA World Fact Book](#)

[World Bank](#)

Whitman College Resources

[Economics Department Homepage](#)

[Environmental Studies Program Homepage](#)

[Penrose Memorial Library](#) (with links to LexisNexis Academic, ProQuest Newspaper and Research, Econ-Lit, on-line catalogs and other great stuff)

Other Interesting Things

[National Geographic Online](#)

[The Wall Street Journal's "Reader's Guide to Econoblogs" \(July 16, 2009\)](#)

(Students interested in links to think tanks economics (and environmental and natural resource economics) can just ask!)
